ANNOUNCEMENT

The Seventh Annual North Central Regional Shorthorn Show & Sale is a continued effort on the part of the breeders to bring together for show and sale the finest of the good Shorthorns produced in this territory. This Show & Sale annually attracts the better offerings and this year is no exception! Numerous animals have been previously exhibited at some of the leading fairs in the Northwest where they gave a good account of themselves. Others equally as good have been nominated. This offering brings to you as good blood lines, type and quality as any consignment sale in this entire area affords.

With the great demand for meat and especially beef, the future of the cattle business is very promising. There never has and probably never will be a surplus of quality beef in this country. Shorthorns have quality which has been proven conclusively at the International where for three years running the Grand Champion Steer was a Shorthorn—they are unquestionably the greatest breed to use for cross-breeding purposes as calves by such a cross inherit extra vigor and weight for age, which respect the Shorthorn has no equal. Experiments have proven this fact beyond doubt! If you want to add weight to your cattle use a good Shorthorn bull and the place to buy him is at Jamestown. Remember you sell beef by the pound—can you afford to lose 50 to 75 pounds on each of your calves? If not, use a Shorthorn—you will never be sorry!

Regardless of whether you be rancher, farmer, feeder or breeder you can not afford to miss this Show & Sale. There will be grand foundation females, herd improving sires as well as good range bulls and farmer bulls offered. They carry as good breeding as can be found, their type is what every breeder is striving to achieve and are offered by as fine a group of breeders as are found anywhere. You are cordially invited to attend this event—Show and Dutch Lunch on Friday, October 20 with the Sale the following day, Saturday October 21 and beginning at 2 p. m. We hope you will honor us with your presence!

TERMS AND CONDITIONS

Classes of cattle will be judged beginning at 2 p. m. on Friday, Oct. 20. The Sale will start at 2 p. m., Saturday, October 21.

TERMS: All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions.

REGISTRATION CERTIFICATES: A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

GUARANTEE: Health certificates will be furnished with each animal. All cattle are sold subject to a sixty day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guarantee statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

MAIL BIDS: Mail bids may be sent to Mervin Aegéter of the Shorthorn World; Jack Halsey, auctioneer; John Schoonover, sales manager, Clem Larson of the American Shorthorn Breeder's Ass'n., or to members of the sales committee. Bids sent will be handled confidentially and conservatively in the interests of the bidder, if unable to attend in person. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

SHOW: Classes will be judged beginning at 2 p. m. on Friday, October 20. The judge will be Harold Hofstrand of Leeds, North Dakota.

DUTCH LUNCH: A dutch lunch will be held on Friday evening at 6:30 p. m., which the consignors and all interested persons are invited to attend. An interesting program has been arranged and it will be an enlightening event! Your presence is earnestly requested and we hope to see you all—it will be a grand evening!

CLERK OF SALE: National Bank of Jamestown and the James River National Bank.

AUCTIONEER: Col. Jack Halsey, Des Moines, Iowa and assisted in the ring by Ray and Howard Schnell of Dickinson, N. Dak., and representatives of The Shorthorn World and the American Shorthorn Breeders Association.

SALES MANAGER: John Schoonover, Secretary, Chamber of Commerce, Jamestown, North Dakota.

SHOW CLASSIFICATION

Fair Grounds Pavilion 2:00 p. m., Friday, October 20

Harold Hofstrand of Leeds, N. Dak., Judge.

One of the highlights of the Regional Show and Sale at Jamestown is the keen interest displayed by consignors and spectators alike in the show which precedes the sale.

Each year a nationally famous Shorthorn judge has made the official placings. This year we are proud to again have Harold Hofstrand, Leeds, North Dakota, who will judge and tie the ribbons.

For the purpose of this show, all animals have been divided in classes according to age and sex. Each sex will have a grand and reserve champion. First prize class winner will be eligible to show for grand champion and the second prize winner in the class where the champion is selected will be eligible to show for reserve champion.

A solid red daughter of Millhills Dictator, a dark roan son of Ascreavie Democrat that left a grand bunch of calves for us—we were unfortunate to lose this breeding bull this summer. This heifer has a grand head, is thick and very short legged and being out of an Edellyn Mission Mercury dam she can't help but be a breeding cow. We have had very tempting offers for this heifer this summer and were turned down in order to put in an outstanding heifer from Eldak Farms for the Jamestown Regional Sale. FEMCO LADY DOUGLAS—Here is a daughter of the highly praised Prince Royal of Femco Farms. The get of this bull has been doing very well for Femco Farms. Here is a chance to obtain a real growthy heifer with the right kind of pedigree. Just a year old. Good enough for the most critical. Her dam is one of the smoothest natural fleshed cows of the breed.
